@

*Pier Sixty at Chelsea Piers
23rd Street and West Side Highway
New York, NY 10011*

Price per Ticket: \$210

Ticket Sale dates: To Be Announced

Very important info regarding limos – PLEASE READ

The entrance way for vehicles to Pier 60 is narrow and may pose a problem for excessively large limousines dropping you off directly at the door. Management of Pier 60 has advised us that drivers of such vehicles will need to unload passengers OUTSIDE the entrance walkway, resulting in passengers having to walk through the parking area to the entrance of the venue. Therefore, plan accordingly and please note the following:

Any vehicle greater than 24 feet long will not be permitted to unload directly in front of the entrance to the venue.

6 to 8 passenger limousines are approximately 24 to 26 feet in length.

10 to 12 passenger limousines are approximately 28 to 30 feet in length.

24 passenger shuttles are the maximum size allowed inside the parking area.

If you are unsure of your vehicle's length, please call your limousine company for exact details.

You can contact also Pier Sixty with specific questions about your vehicle choice.

More information will be given out in the upcoming weeks. Any questions regarding the senior prom may be directed to Mr. Ganci or Ms. Barell

Thank you.
