

Summer 2017

Dear Parents/Guardians and Students:

This letter outlines our programs at the end of the Summer for iPad distribution, set-up, study skills, and SFP Follies. We have organized 3 days that will help you to get to know the school, your fellow classmates, and productive use of the iPad. We will also introduce you to our Franciscan philosophy and give you many practical skills to make your time at St. Francis Prep meaningful, enjoyable, and productive. We look forward to working with you to make for a great beginning of your high school years. The schedule for these days is below.

MONDAY, 28 AUGUST: iPad Distribution

Come to the Auditorium at the time indicated. You will receive your ID card, iPad, charger, and case. There will be faculty members and students around to help you set up your iPad. Plan on being here about 1 hour. Find the time that includes the first letter of your last name and come at that time. If you come at another time, we will not be able to accommodate you.

A-F: 8:30 a.m.

G-M: 10:30 a.m.

N-Z: 12:30 p.m.

TUESDAY, 29 AUGUST: Strategies for Academic Success: 9:30 a.m. to 1:30 p.m.

We will begin with an assembly in the Auditorium. Parents and Guardians will stay for this portion (to about 10:30). Students will then go to classrooms for 3 sessions on using the iPad and developing strong study skills. There will be a lunch break. We will provide pizza and water; students may also bring their own lunch.

** Students must bring their iPad with them on Tuesday.

** The Book Store and General Office will open at 8:30 if you want to take care of any business.

** If you cannot stay for the parent meeting at 9:30, there will be another session at 12:15.

WEDNESDAY, 30 AUGUST: SFP Follies: 8:30 a.m. to 12:30 p.m.

We will start with prayer in the Auditorium. Students will then report to their COR (homeroom). They will meet with senior peer counselors and get to know each other. There will be tours of the school and field events. This day is for students only. Students may want to bring a water bottle.

PLEASE NOTE THE FOLLOWING:

- These orientation days mark the official beginning of your time as a student at St. Francis Prep. We expect to see all students on these days.
- You should wear comfortable clothes these days; you should not be in uniform.
- We look forward to a great beginning in September. Enjoy the rest of the Summer.

Sincerely,

Patrick McLaughlin
Principal
