Welcome to... finding yourself at Prep.

St. Francis Prep provides a challenging academic environment for all its students. Every course we offer prepares students well for the academic challenges they will face in college and for continued life-long learning.

The major strength of our program is that we offer a great combination of a strong academic core curriculum and the opportunity to take advanced or specialized courses in your areas of interest and strength. Our program is designed to give you a full, rich, and well-rounded education.

At St. Francis Prep, we do not track students. A student may be in one, several, or no honors classes, based on background, qualification, interest, and choice. Enrollment in and qualification for honors classes is based solely on a student’s performance in his or her class work at St. Francis Prep. We have many students who are in several Advanced Placement classes in junior and senior years who were not in any honors classes in freshman or sophomore year.

Because we do not track students, not being in an honors course one year does not prevent you from enrolling in an honors course for the following year. From year to year, we have much movement into and out of honors classes. As you look at the courses offered in each department, please know you have the ability to move into advanced work from year to year.

Our program rewards your hard work and allows you to pursue advanced work in areas that interest you and are your strength. The flexibility of our program distinguishes it from honors programs in other schools.

Our objective is to foster the growth of all students in sensitivity, skill, and appreciation of the arts while developing perception, personal insight, and conceptual thinking. The Art Department provides a sequential program of instruction which integrates the four disciplines of art, art production, art history, and art criticism and aesthetics, while fulfilling national and state standards. Each student is given the fundamentals to enjoy the art experience and the opportunity to develop on a more advanced level, either for self-fulfillment or to prepare and qualify for admission to a recognized art program in college to earn a B.F.A., B.A., or B.S. degree.

Jeanne Buccino
Department Chairperson

Art Department

Curriculum

GRADE 9
Studio in Art I
Advanced Studio in Art I Honors
Art I: Introduction to Performing Arts
Movement for Performers

GRADE 10
Sophomore Studio in Fine Arts
Sophomore Studio in Commercial & Technical Arts
Sophomore Studio in Performing Arts
Sophomore Honors: Fine & Commercial Arts
Sophomore Honors: Two Dimensional Design (H-period)

GRADE 11 & 12 ELECTIVES
Two Dimensional Design
Drawing I
Drawing From Life Honors
Painting
Sculptural Design
Ceramic Design
Graphic Design
Digital Photography

Fashion Design
Introduction to Animation & Video
Mechanical/Architectural Drawing
CAD
Computer Graphics
Web Page Design
Advanced Digital Design
Theater Design & Production
Acting
Movement for Performers*
Advanced Dance Technique*
Advanced Drawing & Painting Honors
Video Game Design
A.P. Art History

* These electives can be taken in 9th and 10th grades as well.

EXTRA INFORMATION
- 13 art students were showcased at the Metropolitan Museum of Art and all received awards in the National Scholastic Art and Writing Awards. Students have also received awards in La Salle’s 30th Annual Art Expo, Tablet’s Christ is Risen Art Contest, the Congressional Art Competition, and Crayola Art Competition.
- Motivated students may be eligible for induction into the National Art Honor Society.
- Some classes are offered for college credit.
- Devoted students may be able to receive The Certificate of Advanced Study in Art at graduation.
- Annual Spring Art Festival involving hundreds of students’ artwork, fashion, and performances.
- Our students have gone on to be accepted into a variety of art schools including Parsons, Rhode Island School of Design, Pratt, School of Visual Arts, and the Fashion Institute of Technology.
The Business Department at St. Francis Prep offers students the preparation needed for living, working, and succeeding in the business world. The department fosters learning by providing students with equitable access through up-to-date, fully supported techniques, equipping students to participate fully in their business education. Our goal is to provide basic courses to develop knowledge, skills, habits, attitudes, and ideas necessary for a successful start into, and advancement throughout, a business career. We prepare our students to become global citizens ready to meet and supersede standard expectations, and ultimately become leaders of future generations.

**Curriculum**

- Accounting
- Business Law
- Business Communications
- Business Computer Applications
- Marketing

**EXTRA INFORMATION**

- Business Computer Applications fulfills the Computer Science requirement for graduation.
- Business Computer Applications includes an Academic Keyboarding component.
- Marketing students conducted a practical final project, helping promote the annual Faculty Fundraiser.
- College credit is available through St. Francis College for Accounting, Business Law, and Marketing.
- All classes are electives.

---

**Campus Ministry**

Inspired by St. Francis’ words “Preach often, sometimes use words,” Campus Ministry offers our students many opportunities to put their faith into action, develop their leadership and ministerial skills, build lasting friendships, and deepen their relationship with God.

**LITURGY & WORSHIP**

- Daily Mass
- Masses of the Holy Spirit
- Feast of Saint Francis
- Alumni Memorial Mass
- Thanksgiving Drive Prayer Assembly
- Thanksgiving Masses
- Christmas Masses
- Ash Wednesday Prayer Service
- Holy Week Prayer Services
- Alumni Spring Reunion Liturgy
- Senior Day Liturgy
- Graduation Liturgy
- Ninth Grade Closing Mass
- Tenth Grade Closing Mass

**DYNAMIC SERVICE LEADERSHIP PROGRAM**

- Midnight & Breakfast Runs
- Franciscan Immersion Experiences: Camden, NJ; Lima, Peru
- Franciscan Volunteer Program
- Weekly service at Presentation Soup Kitchen
- Cunningham Park Clean-Ups
- Franciscan Youth Ministry Service Retreats

**PASTORAL CARE & SACRAMENTAL PREPARATION**

- Individual pastoral counseling
- Home and hospital visits
- Bereavement support
- Confirmation Program

**RETREAT PROGRAM**

Our team of adults and student leaders provide opportunities for reflection, prayer, discussion, and community building for 1,700 students.

- 9th Grade Founders’ Day
- 10th Grade Religion Class Retreats
- 11th Grade Journeys Overnight Retreat
- 12th Grade-Senior Retreats
- Athletic Team Retreats & Music Retreats

**EXTRA INFORMATION**

- Our Campus Ministry team includes the only full-time high school chaplain in the entire Brooklyn/Queens Diocese, three dedicated lay people, and a Franciscan Mission Coordinator.
- More than 200 students serve as retreat leaders, Extraordinary Ministers of Holy Communion, liturgy assistants, lectors, morning prayer leaders, and singers in the Liturgical Ensemble.
- Mass is celebrated every day in the school chapel at 7:00 a.m. and Wednesdays at 8 a.m.
English Department

Robert Williams
Department Chairperson
E-mail: rwilliams@sfponline.org

All of our English courses fulfill St. Francis Prep’s mission as a college preparatory school by providing students with the essential skills vital for success in higher education: vocabulary and grammar development, reading comprehension, effective writing, literary analysis, and study techniques.

EXTRA INFORMATION

- National English Honor Society for qualified students.
- College credit for all senior courses.
- Annual participation in the Poetry Out Loud National Recitation Competition (with recent City and State winners)!
- The Little Portion—Prep’s literary arts journal gives students the opportunity to improve their creative writing and editing skills.
- Page Turners—after school book club with additional reading of novels and short fiction for interested students.

Curriculum

- Programming in C#
- Artificial Intelligence
- Robotics
- World Literature
- Gothic Literature
- A.P. English Lit. & Comp.
The study of foreign language requires a developmental approach and implies a progressive acquisition of linguistic skill. The values gained from learning a language will be relate to the amount of time and effort devoted to it. The study of another language brings about a gradually expanding and deepening knowledge of the country, people, geography, history, social institutions, and culture of the people who speak that particular language. As a result, our students acquire a better perspective of our own culture.

**EXTRA INFORMATION**

* Language Clubs: There are over 15 clubs dedicated to various cultures of the world (and our school), including those who's languages are offered by our department.

* Foreign Language Honor Society: A ceremony is held to recognize students who have shown academic achievement in their study of the second language. Students recognized have obtained high academic standing maintaining a 94% average in three years of the language course studied. In addition, students are being commended by their language teachers for sincere interest and enthusiasm for language learning, appreciation for other cultures, being open-minded and accepting of cultural differences, respecting the rights and dignity of all people and putting forth his/her best in language study.

* Summer School Trips with the Foreign Language Department: Recent international school trips include: France, Italy, Spain, Greece, Germany, Austria, Switzerland, London, Liechtenstein, Slovenia, Croatia, Portugal, and Costa Rica.

**Guidance Department**

The Guidance Department at St. Francis Prep is a team that offers our young men and women every opportunity to excel and navigate optimally through their high school years. As school counselors, we have the professional responsibility to bring our influence to bear on a school system's efforts to promote maximum student growth. School counselors are trained to focus on the needs and welfare of students and their families and to sharpen that focus; we rely on our personal relationships. Besides learning to thrive in an academic environment, our students are challenged with making decisions on academic and personal levels.

College planning can be full of anxiety and high expectations for the future, and we assist and guide our students through this process and keep parents informed of all activities, deadlines, and scholarship opportunities. The counselors work and remain with their individual students from 9th through 12th grades, truly getting to know their specific needs and desires, always making educated decisions about the next phase of their education.

**EXTRA INFORMATION**

* Over $150 million offered merit based scholarships from multiple universities.

* We host a college fair in the fall and a college symposium in the summer.

* We provide on-site college decision opportunities.

* We offer a one-week college application preparation and essay writing seminar every summer.

* We train volunteer senior peer counselors to help incoming freshmen adjust comfortably to their first year of high school.

* We offer many support groups.
The Members of the Mathematics Department here at St. Francis Preparatory strive to make their teaching methods and use of technology relevant and effective.

The Curriculum taught is the New York State mandated courses of Algebra, Geometry and Algebra 2. Within this curriculum we offer honors and regular Regents courses. There is a Mathematics Curriculum that addresses the needs of students who have consistently encountered problems in learning Mathematics. This curriculum offers a four-year journey in Mathematics that will enable the young person to achieve success with numbers. Beyond Algebra 2, we offer elective courses which can be taken for college credit. These courses include A.P Calculus AB (A.P Calculus BC if there are qualified students), Calculus Honors, Probability and Statistics, Math Analysis Honors, Precalculus, and Math 12. In the near future, we will be offering A.P Statistics for qualified students. As a faculty, we recommend all students study a fourth year of Mathematics. The aforementioned elective courses are offered to accommodate all levels of mathematical ability.

EXTRA INFORMATION

- All students are required to purchase a T.I.84CE Calculator which will be used for four years.
- All of the elective courses can be taken for college credit.
- Acceptance into all honors courses and elective courses have specific requirements.

Mu Alpha Theta is the National Mathematics Honor Society that eligible students can join in their junior and senior year. Students are required to do service hours tutoring fellow students.

We offer a variety of peer tutoring services and the Math Center is available to the students during the school day. The faculty offers extra help before and/ or after school.

Students have the opportunity to be part of after school Mathematical contests.

GRADE 9
Algebra I
Algebra I Honors
Geometry Advanced
Introduction to Algebra* *(Algebra 1 studied over two years)

GRADE 10
Geometry
Geometry Honors
Algebra 2
Algebra 2 Honors
Introduction to Algebra 1 
(Algebra 1 studied over two years)

GRADE 11
Algebra 2
Algebra 2 Honors
Algebra 2 A
Math Analysis Honors
Senior Electives

GRADE 12
A.P Calculus AB or BC
Calculus Honors
Precalculus
Math 12
Probability and Statistics

*Ninth/Tenth two year course.

The Music Department strives to ensure the education of the whole student through our vocation of Music. This is accomplished through community-centered learning environments and varied and enjoyable performance opportunities. These range from participating in countless school functions, to international tours and high-level performances for dignitaries such as Popes John Paul II and Benedict XVI. Prep’s Music department offers eleven performing ensembles for academic credit. Courses are also available in Music Theory, History, Electronic Orchestration (Finale), and Technology (Logic). Prep also offers a free Music Lesson program for academic credit, as well as outreach opportunities in the broader community.

EXTRA INFORMATION

- Qualified students may obtain The Certificate of Advanced Study in Music.
- We present six department concerts each year in addition to numerous other performances by individual ensembles.

Physical Education Department

Salvatore Fischetti
Department Chairperson
E-mail: sfischetti@sfponline.org

The Health and Physical Education Department is designed to develop the physical, mental, and social skills necessary for the well-rounded individual. By exposing students to a variety of individual, team, and dual sports and classroom instruction in Health education, we hope to stimulate an interest that can be continued in our classes will stress a healthful lifestyle that we hope our graduates will maintain throughout adulthood.

EXTRA INFORMATION

- Opened in September 2011—our new state of the art Fitness and Athletic Training Center, complete with the widest range of Cybex training equipment.
- We are the only Catholic high school with electives in Nutrition and First Aid.
- The Leaders Physical Education Program is unique, allowing participating students to develop great leadership skills.
- 13 different elective courses to choose from in junior and senior year.

Curriculum

REQUIRED
- Physical Education 9
- Physical Education 10
- Health

BOYS’ ELECTIVES
- Football/Weight Training
- Soccer/Speedball
- Basketball/Ultimate Frisbee
- European Handball/Self-Defense

GIRLS’ ELECTIVES
- Football/Soccer
- Lacrosse/Field Hockey
- Conditioning/Self-Defense
- Modern Dance/Aerobics

COED ELECTIVES
- Raquet Sports/Fitness
- Golf/Paddleball
- Volleyball/Softball
- Project Adventure
- Tai Chi/Yoga
- Leaders Program

EXTRA ELECTIVES
- First Aid
- Nutrition

Religious Education Department

Maria Finn
Department Chairperson
E-mail: mfinn@sfponline.org

The Religious Education program at St. Francis Prep is designed to provide the opportunity for students to grow in faith and acquire knowledge of themselves, God and others. Our courses immerse students in our Franciscan and Catholic Christian traditions, with a deep interest in addressing the developmental and faith needs of the adolescent.

Freshman & Sophomore Year
The first and second years of our program are foundational. Students will explore the call of the prophets, the life of Jesus, the roots of Christianity and the Church. The lives of the saints—especially our patron St. Francis—are held up as role models for holiness and the invitation to deepen our relationship with God. Scripture, Doctrine, and the sacramental life of the Church are the basis of our focus. Together, students and teachers will also explore the development of a mature faith life as they relate to decisions facing teens and the persons they are becoming. Our Experience Group program is a vital part of this process.

Junior & Senior Year
During Junior and Senior Year, students may choose from a rich selection of elective courses designed to explore faith issues on a deeper level in relation to the world around us. Students will choose two semester-length courses each year, based on their areas of interest. During Junior year, qualified students may choose to take a full year of Christian Service.

Elective Courses

- Christian Service (Juniors only)
- Philosophy of Life
- *Religions of the World
- Jesus and Film
- Morality
- Healing and Making Peace
- Human Sexuality and Love (Seniors only)
- Contemporary Franciscan Living
- Body, Mind and Spirit
- Social Justice
- Women in the Bible

All run for one semester, except Christian Service.

*Available for College Credit
Science Department

Students at St. Francis Prep can take one of many possible pathways in science education. Three main facets of science at St. Francis Prep include our Integrative Advanced Physical Science course for 9th graders that provides a strong foundation for future science courses, our Advanced Placement (AP) pathway beginning early in 10th grade, and our very successful Science Research Program. In fact, we are the only Catholic school in the nation to have Intel Science Talent Search Semifinalists for 12 of the past 15 years including the only semifinalist in Queens in 2013!

* Incoming freshman will take Biology, unless any of the two following conditions apply: 1. The student is selected for AP honors based upon TACHS scores. 2. The student took Biology and passed the regents. They would take Earth Science.

**Curriculum**

**GRADE 9**
- Biology
- Advanced Physical Science Honors

**GRADE 10**
- Earth Science
- Earth Science Honors
- A.P. Biology
- Topic Research*

**GRADE 11**
- Chemistry
- Chemistry Honors
- A.P. Chemistry
- Experimental Research*

**GRADE 12**
- Physics
- Physics Honors
- A.P. Physics
- A.P. Environmental Science
- A.P. Biology
- Scientific Paper Presentation*

**ELECTIVES**
- Sports Physiology & Kinesiology Mechanics
- Biotechnology
- Nanotechnology
- Science Research
- A.P. Biology
- Marine Biology
- Human Anatomy & Physiology
- Forensic Science
- Practical & Theoretical Astronomy
- A.P. Environmental Science
- A.P. Chemistry
- A.P. Placement Physics
- Modern Genetics

**EXTRA INFORMATION**
- Motivated students can participate in the Science Olympiad, a national competition that delves into a variety of science topics.
- Motivated students can participate in scientific competitions.
- There are other science-related clubs as well, such as Save Our Planet.

Curriculum

**GRADE 9**
- Global History I
- Global History I Honors
- A.P. World History I

**GRADE 10**
- Global History II
- Global History II Honors
- A.P. World History II

**GRADE 11**
- U.S. History
- U.S. History Honors
- A.P. U.S. History

**GRADE 12**
- Half-Year
  - History of NYC
  - History of WWII
- Criminal Justice
- Forensic Criminology
- Intro to Psychology
- Contemporary World Issues

**Full-Year**
- A.P. Psychology
- A.P. European History
- A.P. Government & Politics
- A.P. Macroeconomics
- Senior Honors Research Seminar

**Social Studies Department**

The Social Studies Program is designed to foster and develop global awareness — to see the differences in people and learn to appreciate them. It is geared to help us recognize that to be different, or to do things differently, is not to be wrong. It helps us to understand the way others think, behave, and make decisions. The program instills in our students the desire to meet the challenges of a fast-changing world scene, and move toward a global community in which peace, social justice, and quality of life play a major role.

**EXTRA INFORMATION**
- Member of the National History Scholar’s Society.
- Advanced Placement courses are available on all grade levels.
- Honored at NY History Day Contest.
- German/American Cultural and Educational Student Exchange.
- Our Forensics Team claimed 1st place in the 8th Annual Forensics World C.S.I Challenge at C.W. Post (55 students teams from the Tri-State area competed).
