St. Francis Prep Virtual College Fair COLLEGE April 29th 2021 STAIR 5:00-7:45 PM

Join us for an opportunity to virtually connect with colleges and universities from around the country *for free*.

The program will include college knowledge sessions on finding a college that fits, paying for college, and writing a college essay presented by college admission counselors.

During the Virtual College Fair, you will have the chance to hear from many different colleges. You can choose which colleges you want to hear from by registering for their sessions. You and your family can ask questions of the college representatives throughout the presentations too!

Student registration and the exact list of colleges will be available on April 16th, 2021. We will publish the schedule and open registration to you and your family at that point.

We are looking forward to sharing this virtual experience with each of you!
